

## TIME TO CELEBRATE!

We have many reasons to celebrate this month at Asian Palate. After months of hard work and late nights, Jeannie's second book, *Mastering Wine for the Asian Palate* is now being printed. The book will be available at major retail outlets such as Amazon.com in June. When not working on the book, Jeannie has been toiling away on Galaxy Macau's master wine list which is now complete. Celebrations begin this week for the grand opening of this **five-star resort complex** that integrates Hotel Okura, Banyan Tree and Galaxy Macau. Follow **Jeannie on twitter** and **Asian Palate on Sina weibo** as we try out some of Galaxy Macau's more than 50 F&B outlets, dip into their 350-ton white sandy beach or lounge on their 52,000 square-meter resort deck.
