Mastering Wine for the Asian Palate

Master of Wine Jeannie Cho Lee's new book is now available for pre-order

Master of Wine Jeannie Cho Lee, wine editor for our *Hong Kong and Macau's Best Restaurants* guide, is the author of the hugely popular *Asian Palate*, winner of the Gourmand Award's Best Food and Wine Pairing Book in the World. Naturally, we are all excited about her second book, *Mastering Wine for the Asian Palate*, which is now available for pre-ordering.

With a foreword written by none other than superstar French chef Joël Robuchon, the new book aims to broaden the lexicon of wine by introducing a selection of Asian descriptors and ingredients, making it a useful tool for all of us here in Asia who are daily confronted with the challenges of pairing wines with the myriad variations of Asian cuisine.

Mastering Wine for the Asian Palate will be available from Amazon starting in June.
