**李志延**是首位榮獲葡萄酒大師稱號的亞洲人，也是備受尊敬的葡萄酒導師、評鑑專家、講者、專欄作家和「澳門銀河」的葡萄酒大師。談到舊天星碼頭，最讓她念念不忘。■

「新碼頭太太太冰冷，缺少舊時那種忙亂、喧囂和傳統的感覺。我多希望可以再看到它，重溫我天天乘搭天星小輪的舊日時光。記得第一次乘搭時我20幾歲，看著渡輪慢慢駛離碼頭，感覺非常奇妙。舊碼頭擠滿人群，後面就是一幢幢現代化的摩天大樓。我非常喜歡香港的天際線，但對我來說，舊天星碼頭是香港不可分割的一部分，它的消失令我難過。」

**THE FIRST ASIAN TO OBTAIN** the Master of Wine title. Jeannie Cho Lee is a respected wine educator, judge, speaker and journalist — and recently the newly appointed master of wine for the Galaxy Macau resort. Cho Lee is nostalgic for Central's old Star Ferry pier, which was controversially demolished in 2006. ■

“The new pier is too cold and big; it lacks the hustle, bustle and traditional feel of the old one. I wish I could see it again, and relive all the times I took the ferry back and forth. I remember taking it for the first time when I was in my mid-twenties and standing in awe as the ferry pulled away from the pier. I could see the old pier crowded with people, and the tall modern glass and stainless steel skyscrapers in the backdrop. I still love Hong Kong's skyline but to me, the old ferry pier was such a fundamental part of it that it makes me sad that it's no longer there.”
