Germany meets Asia

Jeannie Cho Lee, Asia's first Master of Wine, helped develop a booklet that matches German wines with Indian curry, Korean stir-fry, Chinese barbecue and more.

Sixty BC Liquor Stores across the province will feature German wines, with the focus on pairing each with Asian cuisine. Eight wines from the stores' portfolio have been selected to showcase in Perfect Pairings along with a free booklet developed with the help of Jeannie Cho Lee, Asia's first Master of Wine. The take-away booklet matches German wines with Indian curry, Korean stir-fry, Chinese barbecue and more. There is a free consumer event on Saturday, May 5, featuring German wines paired with Chinese brasserie fare by local Chinatown restaurant Bao Bei, at the Cambie and 39th Signature BC Liquor Store, from 3 p.m. to 6 p.m.
